Explanation of Tabulated Data On The Following Pages

Number of Teachers—In this column appears the number of teachers under the supervision of the superintendent, principal or head of department, after whose name the number is found. The number after the superintendent's name includes all teachers, supervisors and principals, exclusive of the superintendent; the number after the high school principal's name includes all high school teachers, exclusive of the principal.

Enrollment—The number entered in this column indicates the enrollment in September, 1936, in grades and high schools in the entire district. The district number is indicated after the name of the school.

FIRST CLASS DISTRICTS

(A first class district is one which has a population of eight thousand or more; it employs a superintendent who has had at least five years' experience in public school work; it is controlled by a board of seven trustees.)

THIRD CLASS DISTRICTS

(A third class district is one which has a population of less than one thousand; it employs a superintendent and principal or either. It is controlled by a board of three members. Many third class districts have several rural schools in addition to the schools listed below. As these rural schcols are supervised almost entirely by the county superintendent, they are not included here. The number of teachers listed below is in addition to the superintendent and principal. Consolidated districts are indicated in each instance.)

COUNTY HIGH SCHOOLS

(A county high school is under the control of a principal; it is administered in most cases independently by any school district; funds for its upbuilding and maintenance are derived from a uniform county levy; the board of trustees consists of seven members of whom the county superintendent is one and the remaining six are appointed by the county commissioners. The number of teachers listed is in addition to the principal.)
